

Kamerlingh Onnesstraat, Amstelveen

The apartment is located in the popular Stadshart district of Amstelveen, a modern and well-connected residential area just south of Amsterdam. The property is situated in a contemporary apartment complex built around 1999, known for its spacious layouts, modern architecture, and convenient urban living. Apartments in this area are typically bright and comfortable, often featuring large windows, balconies, underground parking facilities, and well-maintained communal areas.
