## Stadsplein, Amstelveen

The Stadsplein neighborhood in Amstelveen is a central hub for public transport. It is well-connected by a nearby bus station, which offers numerous bus lines to different parts of Amstelveen, Amsterdam, and Schiphol Airport. Additionally, the tram lines 5 and 25 have stops close to the square, providing a direct and convenient connection to the city of Amsterdam. The area's excellent public transport network makes it easily accessible for both residents and visitors.
