Koxhorn, Amsterdam

The apartment is located in a residential street and surrounding area located within Buitenveldert, a desirable and quiet district in Amsterdam Zuid. It is not a separate neighborhood but typifies the Buitenveldert experience: spacious, green, and well-organized. The area is characterized by 1960s-era apartment buildings and maisonettes, many of which feature private gardens or balconies, providing a suburban feel within the city limits. Residents enjoy exceptional local amenities, particularly the luxury Groot Gelderlandplein shopping center and the nearby sprawling green spaces
