Geervliet, Amsterdam

The Koxhorn is a peaceful, purely residential street located in the desirable Buitenveldert district in Amsterdam-Zuid. This area is characterized by spacious, mid-20th-century apartment buildings and a generous amount of greenery, offering a quiet, family-friendly living environment. The street exemplifies the Buitenveldert experience: well-organized, with many residences benefiting from private gardens or balconies. Despite its tranquil feel, the Koxhorn is exceptionally central for modern city life; it is within walking distance of the upscale Groot Gelderlandplein shopping center and
