

Ko van Dijkhof, Amsterdam

This completely renovated (new build in 2026) is situated on the quais of the IJ, a dynamic and rapidly evolving district in Amsterdam-Noord. This location is defined by its industrial-chic architecture and its prime position along the Tolhuiskanaal, offering a sophisticated urban lifestyle that emphasizes sustainability and modern design. The neighborhood has transformed into one of the city's most creative hubs, blending professional innovation with a relaxed, waterfront atmosphere.
