

Ndsm-Straat, Amsterdam

The apartment is located in the heart of Amsterdam Noord's most dynamic waterfront district, the former NDSM shipyard. Once a center for industrial shipbuilding, this area has been spectacularly transformed into a vibrant cultural and residential hub characterized by its raw, industrial aesthetic anc creative energy. Living or working here puts you at the center of Amsterdam's most avant-garde neighborhood, where massive street art installations and historic warehouses blend seamlessly with modern high-rise architecture.
