

Heemraadschapslaan, Amstelveen

The house is located in the beautiful, park-like Elsrijk neighborhood, one of Amstelveen's most prestigious and green residential areas. This upscale neighborhood offers a serene environment characterized by mature trees, water features, and elegant architecture, all while sitting right next to the vibrant Stadshart Amstelveen for high-end shopping, dining, and culture.

The area is perfect for recreation, with the sprawling Amsterdamse Bos and the lovely Heemparken
