Opveld, Amsterdam

Please note that the house is currently completely being renovated and is expected to finish in August. The house is available from the 1st of September 2026. There is a chance that some small works might still need to be done after the 1st of September 2026 (shed, wardrobe entrance, stairs carpet and some small repairs like an intercom).

The house is located in the peaceful, highly desirable Buitenveldert neighborhood. The upscale
